We are committed to working each day to positively impact and enrich the lives of our members.

Whether it's a loan for your wedding, a vacation, or a new car, we are here to help you. We will continue to offer our members amazing low rates and benefits. Please don't hesitate to contact us today to let us know how we can help you this spring.

ANNUAL MEETING UPDATE

In concern for the well-being of our membership due to the Covid-19 crisis, POE FCU has postponed our Annual Meeting. The credit union is tentatively planning to conduct the meeting during the summer of 2021. We will formalize and communicate an exact date for the meeting to our members once we can establish that it is safe to hold a large gathering.

HEALTHY SAVING HABITS FOR KIDS

Saving is a learned behavior. It's something that kids need to practice over and over from an early age. When teaching your child how to save money, it is important to start early and explain it in a way that can be easily understood by children. Here are six steps to help your children develop healthy saving habits:

- Start early
- Link saving to a goal
- Create a plan
- Develop the habit
- Brainstorm income opportunities
- Celebrate their success

VISA CREDIT CARDS!

Treat yourself and build up your credit all at the same time!

*APR = ANNUAL PERCENTAGE RATE. RATE BASED ON CREDITWORTHINESS AND TERM OF LOAN.

TIPS FOR FINANCIAL SUCCESS

- Get paid what you're worth and spend less than you earn
- Stick to a budget
- Pay off credit card debt
- Contribute to a retirement plan
- Have a savings plan
- Invest
- Maximize your employment benefits
- Review your insurance coverages
- Update your Will
- Keep good records

How are you doing on the above checklist? If you're not doing at least six of the 10, consider resolving to make improvements.
